## TIMELESS, CLASSIC, YOU BUT BETTER

We have a very different approach to wedding day hair & makeup. We aren't your boring "cookie-cutter" artists where everyone looks the same. We're fun and we have personality! And there is an entire process that celebrities use to look their best and it's for a good reason. Why is your wedding day any different? This is your red carpet moment.

Here at GET GAWJESS, we make sure our GAWJESS BRIDES get the full red carpet treatment. We partner and collaborate with you to design a look you love, completely customized to YOUR taste.

Our style is more celebrity red carpet than a social media trend. While we can do any look you like, we specialize in "you but better" looks that enhance your features and are timeless and last a lifetime.

# COVID-19

## *infection control*

### **SANITATION/INFECTION CONTROL**

Even before Covid-19, we've always taken infection control very seriously. Clean makeup kits, brushes, and scraping all products and powders, we go above cosmetology licensing standards. We follow CDC guidelines at all times.

### **VACCINATIONS & NEGATIVE TESTS**

While there is a decline in recent Covid-19 data, we have learned that being fully vaccinated is basic infection control as beauty professionals.

Weddings are a time where loved ones of all ages & health concerns come together, so you can be sure everyone on Team GawJess is fully vaccinated.

However, we know this may not be true for all clients. We require anyone we perform services on to be vaccinated, boosted, or provide a negative COVID-19 test.

## BRIDE 1

# Before and After

## Before

Jocelyn was confident enough in us to decide what hair and makeup style would look best on her.

She was concerned mostly about her frizzy hair and yellow-ish under eyes.

## After

Jocelyn made a GawJless Bride with airbrushed makeup, airbrushed bronzer, and faux strip lashes. Her under eyes were easy to conceal with corrector.

Hair stylist, Sabrina, offered her signature romantic waves with the right products for Jocelyn's hair texture.

# Before and After

## Before

Abigail wanted to hide her freckles. I personally love them, but I'm always listening to my clients needs. Although she doesn't wear makeup often, she wanted to dramatically play up her eyes. And she was sure she wanted a updo that would last since she has long, heavy tresses.

## After

Abigail got GawJless with airbrushed makeup and a smokey eye well-defined by lots of liner. Her freckles were concealed and unnoticeable. Hair stylist, Erica, kept the hair off her face with a full chignon in the back.

## BRIDE 3

# Before and After

## Before

Abi is stunning even without makeup.

She wanted a natural look that would compliment the rustic theme of her wedding.

We performed a skin prep application and under eye treatment for her dry eyes. Hair stylist Sabrina prepped her hair our special magic shaping spray.

## After

Abi was going for a simple yet romantic look, but wanted to play up her cheek colors, enough to show up on camera. She doesn't wear a lot of makeup normally so it was important she looks like herself, but still enhanced. Sabrina offered vintage waves to complete the look, which lasted all day.

## SPRAY TAN CLIENT 1

# Before and After

## Before

Josie already has a pretty warm skin tone to her, but she wasn't afraid of more. She wanted a glow before her photoshoot to reflect the look of "just coming home from the beach."

## After

Josie was sprayed in St. Tropez's Classic Dark, which still looked like a natural tan on her body. She claims it lasted 9 days after following our maintenance recommendations. We even sprayed it over her makeup, which is absolutely ok to do.

## SPRAY TAN CLIENT 2

# Before and After

## Before

Stacey (our Makeup Artist) is a lover of Spray Tan and I'll spray her whenever I'm visiting. She's hates to look pasty in the winter when she can't catch those summer rays. And because she's a busy bee, we usually spray her in our Rapid solution.

(Stacey also sprays our NY clients.)

## After

Because St. Tropez adjusts to your pH levels, everyone gets a customized glow that adjusts to their skin tone. And thankfully, though Stacey has a light skin tone, our St Tropez solution will never look orange on her. We sprayed her in Express Classic.

## SPRAY TAN CLIENT 3

# Before and After

## Before

Vanessa is on the lighter-medium side and wanted to get sprayed before her bridal shower. Her photos were very important to her and she thought a body glow would compliment her dress. It was her first spray tan ever so we went with Classic.

## After

Because Vanessa's undertone is warm even though on the lighter side, the spray tan shows up pretty warm, and about 3 shades darker than her skin tone. She loved it and loved her photos!

## WE LOVE OUR BRIDES, OUR BRIDES LOVE THEIR LOOKS

*Melissa M. said...*

My mom and I LOVED the look she gave us. She was on-time, professional, prepared and she just knows what to do. Our makeup looked flawless and stayed on all night. I did not have to reapply or fix anything.

## WE LOVE OUR BRIDES, OUR BRIDES LOVE THEIR LOOKS

### Client Testimonials

*Melissa A. said...*

They were amazing! Easy to work with, fun and professional. My makeup was everything! I have very straight hair so it's always hard to get my hair like I want it. But Sabrina did a great job. I would highly recommend these ladies!

*Vanessa said...*

Jess has spray tanned me several times and it has been an excellent experience each time! I've done the normal and express tan and both are great and last quite a few days. Would highly recommend her expertise and professionalism!
